You may book for CIQP clearance at the link below. Kindly be informed that the booking needs to be made at least the day before the clearance, before 1800hrs to ensure confirmation. <https://one15marina.com/marina/ciq-reservation-form/>

Key considerations:

- SAFYC members may choose to do their boat clearance at One 15 Marina before proceeding to Indonesia.
- You are required to engage an agent to handle the ICA (Immigration & Checkpoints Authority) paperwork.
- Once the paperwork is completed, either you or the agent can book the clearance with One 15 Marina.
- Ensure your vessel arrives at the CIQP berth 15 minutes before the scheduled clearance time to avoid any late fines.
- The boat must communicate on VHF 77 before entering and exiting the Marina. The Marina's call sign is "One 15".
- The CIQP berth is located at the mouth of the Marina and is highlighted for easy reference below.
